QUESTIONS?

WHAT YOU'LL EXPERIENCE

Over **two private 4-hour sessions**, you'll experience real boating on San Francisco Bay. It's enough time to explore the Bay and learn about all the places to adventure and have the ability to get acquainted with the fundamentals of safe, confident boat handling.

- Leaving and returning to the dock
- Exploring what boating on the Bay feels like
- Boat handling at slow speed
- Steering and throttle control
- Reading boat traffic
- Navigation basics
- Safety equipment and procedures
- Understanding wind and current

OUR COMFORTABLE FLEET

You'll train aboard a variety of modern enclosed-cabin powerboats.

We have single-engine and twin-engine vessels giving you a broader understanding of boat handling while staying comfortable and protected from the weather.
